MEMORANDUM FOR THE RECORD

SUBJECT: Executive Director's Meeting of 2 August with [] and Borel
Regarding NPIC Follow-up of IG Survey Report

25X1

1. The Executive Director informed the Inspector General on 3 August 1965 of a meeting he held the previous day with [] Executive Director of NPIC, and with Paul Borel, Assistant DD/I. Borel and [] delivered to the Executive Director the DDI's response to the recommendations in the IG report of survey; however, the meeting was not called to review the DD/I response.

2. The Executive Director told Borel and [] that he wanted them to get busy on three or four matters and that there was no point in their delaying action pending the "response to the response." They are:

25X1

a. The problem of overtime. The Executive Director directed NPIC to get together with the Director of Personnel and see what can be worked out. He also suggested a review of internal procedures or scheduling that might cut down on the amount of overtime worked in NPIC.

b. He directed that an examination be made of the need for continuing present security controls on the handling of TKH materials.

c. He wanted from DDI/NPIC a review of the pros and cons of setting up a separate COMEX vs. establishing COMEX as a sub-committee of COMOR.

d. He informed Borel and [] of an expected letter from the Bureau of the Budget calling for a study with DoD/DIA of the need for redundant PI facilities, particularly in DoD. He directed NPIC/DDI to give some thought to the matter.

25X1

3. The Inspector General told the Executive Director that he was having a "think piece" written on the pros and cons of transferring NPIC from CIA to DoD control. The Executive Director said he was delighted. He also said that he had talked with the DDCI recently and that both see NPIC's problems as major and of continuing concern.
